On June 10th, 2018, the Reivers Section of the VMCC Ltd together with the Marston Sunbeam Club & Register are holding a road run for solo and sidecar motorcycles, tricycles and three wheelers which were manufactured by December 31st, 1930. Plus those motorcycles that were manufactured thereafter and whose original construction includes girder forks.

The event is open to all riders, drivers and passengers, it is classified as a recruitment event and membership of either of the organizing Clubs is not necessary. Membership application forms however, will be available should anyone wish to join either or both the two Clubs.

A breakdown van will be provided to assist any riders having difficulties and riders will be able to make contact by mobile phone where areas of the route are covered by signal.

Venue

The starting and finish point of the Run will be Etal Village Hall, Etal Village, TD12 4TN. Signing on will be open from 09H30 and we would appreciate if signing on is complete before 10H00 and the bikes, with their entry numbers attached, are gathered for show to the public before we set off. The Run will commence at 10H30, with the earliest bikes waved off first.

Tea and coffee will be provided at the Hall when signing on, there will be a refreshment stop en route and there will also be a light lunch at the finish.

Routes & description

Two routes are available, each starting and finishing in Etal. One will be around 60 miles - suitable for the oldest of machines, the other will be around 85 miles. Route cards along with entry number, a small commemorative program and refreshment vouchers will be supplied when signing on.
